WHEREAS, the Town Board is considering the construction of a new 27’ X 60’ pre-engineered metal building on a 1.54 ± acre parcel located at 2 Cadby Industrial Park in the Town of Lancaster as submitted by Northeast Diversification, Inc., and

WHEREAS, the Town of Lancaster Municipal Review Committee has reviewed the environmental impact of this construction project pursuant to SEQR regulations at their meeting on March 16, 2015 and recommended that a Negative Declaration be issued, and

WHEREAS, the Town Board has duly considered the plans for the building, the short Environmental Assessment Form, the criteria for determining significance set forth in 6 N.Y.C.R.R. § 617.7(c) of the State Environmental Quality Review Act (“SEQRA”) regulations, and such other information deemed appropriate, including the recommendation of the Municipal Review Committee; and

WHEREAS, the Town Board has identified the relevant areas of environmental concern, has taken a hard look at these areas, and has made a reasoned elaboration of the basis for its determination; and

WHEREAS, the proposed action has been labeled an “Unlisted” action under SEQRA.

NOW, THEREFORE,
BE IT RESOLVED by the Town Board of the Town of Lancaster that:

1. This project, described as the construction of a new 27’ X 60’ pre-engineered metal building which will consist of a metal roof supported on concrete piers with interior concrete slab on grade on a 1.54 ± acre parcel. The total ground disturbance will be approximately 0.0312 ± acres, will not result in any large and important impacts and, therefore, it is an action which will not have a significant adverse impact on the environment, and therefore the Board issues the attached negative declaration of environmental significance for the reasons stated therein.
2. The Town Clerk shall file a copy of the Negative Declaration in the file for the Project.
3. The Town Attorney's Office shall prepare and file a Notice of Determination of Non-Significance with the petitioner and with all required New York State and Erie County agencies, filing a copy of the letter of transmittal.

NEGATIVE DECLARATION
Determination of Non-Significance

Town of Lancaster Town Board

Dated: April 6, 2015

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The Town of Lancaster Town Board (the “Town Board”), has reviewed the proposed construction of a new 27’ X 60’ pre-engineered metal building on a 1.54 ± acre parcel submitted by Northeast Diversification, Inc. The Town Board has determined the Project will not have a significant adverse environmental impact and that a Draft Environmental Impact Statement will not be prepared.

Name of Action: Addition to Shop (27’ X 60”) at 2 Cadby Industrial Park, Lancaster

Location of Action: 2 Cadby Industrial Park, Lancaster, New York 14086, Erie County.

SEQR Status: Unlisted Action.

Description of Action: The providing of a new 27’ X 60’ building addition. Building to be pre-engineered metal with a metal roof supported on concrete piers with interior concrete slab on grade. Electric, water and gas tied to existing building services. No storm or sanitary to be added.

Reasons Supporting this Determination: Potential environmental impacts associated with the Project were identified in the Environmental Assessment Form. The Town analyzed the project under the criteria for determining significance identified in 6 NYCRR § 617.7(c)(1) and in accordance with 6 NYCRR § 617.7(c)(2) and (3). As indicated below based on each criterion specified in 6 NYCRR § 617.7(c)(1), the Project will not have a significant adverse impact on the environment.

1. The proposed action will not create a material conflict with an adopted land use plan or zoning regulations.
2. The proposed action will not result in a change in the use or intensity of use of land.
3. The proposed action will not impair the character or quality of the existing community.
4. The Town of Lancaster has not established a Critical Environmental Area (CEA).
5. The proposed action will not result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway.

6. The proposed action will not cause an increase in the use of energy or fail to incorporate reasonably available energy conservation or renewable energy opportunities.
7. The proposed action will not impact existing public/private water supplies or public/private wastewater treatment utilities.
8. The proposed action will not impair the character or quality of important historic, archaeological, architectural or aesthetic resources.
9. The proposed action will not result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora or fauna).
10. The proposed action will not result in an increase in the potential for erosion, flooding or drainage problems.
11. The proposed action will not create a hazard to environmental resources or human health.

NEGATIVE DECLARATION
Determination of Non-Significance

Town of Lancaster Town Board

Dated: April 6, 2015

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The Town of Lancaster Town Board (the “Town Board”), has reviewed the proposed Rezone of 2815 & 2819 Wehrle Drive (SBL# 82.03-2-39.1) from Residential Commercial Office District (RCO) to Commercial and Motor Service District (CMS), located within the Town of Lancaster and submitted by North Forest Development. The Town Board has determined the Project will not have a significant adverse environmental impact and that a Draft Environmental Impact Statement will not be prepared.

Name of Action: North Forest Development Rezone.

Location of Action: 2815 & 2819 Wehrle Drive (SBL# 82.03-2-39.1), Lancaster, New York.

SEQR Status: Unlisted.

Description of Action: A 3.41 acre plot of land currently zoned RCO with proposed rezone to CMS. Located at the corner of Harris Hill Road and Wehrle Drive; the southwest corner. 1.04 acres proposed for driveways and parking; 0.99 acres of buildings to be used as self-storage units.

Reasons Supporting this Determination: Potential environmental impacts associated with the Project were identified in the Environmental Assessment Form. The Town analyzed the project under the criteria for determining significance identified in 6 NYCRR § 617.7(c)(1) and in accordance with 6 NYCRR § 617.7(c)(2) and (3). As indicated below based on each criterion specified in 6 NYCRR § 617.7(c)(1), the Project will not have a significant adverse impact on the environment.

1. The proposed action will create a small material conflict with an adopted land use plan or zoning regulations.
2. The proposed action will result in a small change in the use or intensity of use of land.
3. The proposed action will have a small impact upon the character or quality of the existing community.
4. The Town of Lancaster has not established a Critical Environmental Area (CEA).
5. The proposed action will not result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway.
6. The proposed action will not cause an increase in the use of energy or fail to incorporate reasonably available energy conservation or renewable energy opportunities.
7. The proposed action will not impact existing public/private water supplies or public/private wastewater treatment utilities.

8. The proposed action will have a small impact upon the character or quality of important historic, archaeological, architectural or aesthetic resources. It is noted that the project is in proximity to the former site of the Gipple Cabin.
9. The proposed action will not result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora or fauna).
10. The proposed action will not result in an increase in the potential for erosion, flooding or drainage problems.
11. The proposed action will not create a hazard to environmental resources or human health.
